# **Myrtle Beach**

## **Tuesday, January 9, 2024**

Enjoy a fun-filled day in Myrtle Beach, SC. Start with a tram tour of Historic Georgetown, SC, known as the “gem” of South Carolina. Next stop is Brookgreen Gardens, part of a 6000-acre estate that was once four rice plantations. More than 500 works of American sculptors are on display in the gardens, as well as wildlife and historical exhibits of South Carolina animals and artifacts. Lunch on own at Brookgreen Gardens.

This afternoon, enjoy a deluxe wine tasting at the Duplin Winery, makers of America’s favorite Muscadine wine. The tasting allows you to sample up to 10 wines on the tasting sheet and enjoy delicious gourmet crackers and dip. Plus, you get to keep your Duplin wine glass and have a serving of wine afterwards from the tasting sheet.

End the day with the Polynesian Luau Fire Dinner & Show. Witness native dance, warrior chants, live music, beautiful hula dancing, fire poi, and Samoan fire dancer stunts combine for one unforgettable night. On top of that, you’ll be treated to a delicious Oahu luau-style buffet dinner. Depart for home following dinner.
